PMI-MN EDUCATIONAL EVENTS

The Minnesota Chapter of the Project Management Institute (PMI-MN) is one of the most active and largest chapters of the Project Management Institute (PMI). PMI-MN sponsors numerous informational, educational and social events. Attendance ranges from 50 to 175 professionals at an event throughout the year.

Breakfast & Dinner Meetings

Monthly presentations featuring popular topics significant to Project Managers and the Project Management profession. Sponsors have the opportunity to provide a 5 minute commercial at the beginning of the event.

- A visual display of your organization's name, logo and table.
- A single verbal identification by the master of ceremonies of your company's name and logo to the group.
- Email blast for event includes your logo and hyper link.
- Hand out flyers.

Career Networking Sessions

Networking session for project management professionals covering career tips and techniques (held prior to Chapter dinner meeting). Provide a speaker and gain credibility and access to people looking for positions.

Seminars and Workshops

Provide professional development opportunities and a chance to earn PMI education credits known as Professional Development Units (PDUs).

Benefits to Sponsoring an Educational Event

- Provides a chance to interact with potential clients, candidates, and students.
- Opportunity to provide a definition of who you are and what are your products and services are.
- Targeted branding opportunity, enhancing brand recognition.
