What Does It Mean To Be A Partner With PMI-MN?

The purpose of the Partnership Program within the Sponsorship committee of PMI-MN is to create and maintain relationships with private and public corporations, educational and institutional organizations that support the discipline of Project Management. By creating a foundation of mutually beneficial cooperation, PMI-MN seeks to strengthen its presence in the industry as well as the knowledge base of its members.

What Are The Benefits of Partnership With PMI-MN?

- An opportunity for an organization to maximize visibility in the industry and network with colleagues in a unique and professional setting.
- Promote your organization, support the efforts of your people and be visible to the regional world of project management.
- An excellent way to access knowledge, networks and resources keeping skills levels high and advancing careers in project management for both an organization and its people.
- The Partnership Discount is a key benefit of Partnership with PMI-MN. This code, updated annually, gives your members, employees, faculty and students a discount of 5% applied to the PMI member or non-member event price.
- Your organization will be visible at PMI events and promoted to the best of our abilities.

What Does PMI-MN Need From A Partner?

- Support Chapter and our Profession. Be a sponsor or host a meeting or seminar.
- Encourage your employees to participate in our dinner, breakfast, webinar & PDD events.
- Encourage your employees to join PMI and get or retain their PMP/CapM Certification.
- PMI-MN Chapter has developed a system to authenticate a tangible relationship between the chapter and a potential partner.
